

COVID-19

#WeAdapt4U

To Educate To Challenge To Inspire

Dear TEAM TA

During these trying days of uncertainty, please stay well. We pray that the heavy burdens you are feeling will find clarity and new hope for the future. It is important that we do all we can to remain connected and to support each other.

As we continue monitor this ever-changing **COVID-19** situation together, the health and safety of all our adaptive athletes, families and volunteers is our top priority. We have postponed our scheduled adaptive programs and events until further notice. We are working to set new dates that will be updated as more information becomes available.

To help keep our and your spirit alive, we will share uplifting information and helpful tips to enrich your lives in the days ahead. And, we want to encourage you to do the same on our TA social media pages. Celebrating the positive lessons we all learn will make our entire TA family stronger. So, it is important for members of our TA family to reach out, stay connected, and care for each other.

As we receive more information regarding next steps, prevention measures, and return to normalcy, we will let you know. Please continue to support our important mission as we challenge you to achieve your potential and inspire you to care for others.

Each of you remain in our thoughts and prayers.

Blessings,

Mark
