

MASSANUTTEN ADAPTIVE SNOW SPORTS 2020-2021

Dear Friends of TA - Adaptive Athletes, Families, and Volunteers:

These are certainly unprecedented times. The COVID-19 pandemic continues to disrupt our lives. For the 2020-21 winter season, Massanutten Resort has implemented a number of new guidelines and procedures to protect the health and safety of all guests, employees and volunteers. See the enclosed: **2020-2021 Massanutten Winter Planning Guide (Last updated on December 7, 2020)**.

In support of these efforts, **Massanutten Adaptive Snow Sports (MASS)** is implementing additional policies and procedures specifically designed to address the needs of our adaptive guests, their families and our TA volunteer instructors. Our commitment remains — to provide you ALL with safe and enjoyable learning experiences.

Guests who participate with Massanutten Adaptive Snow Sports (adaptive athletes, families and volunteers) will need to be more intentional this winter. You must plan and schedule/book your session(s) well ahead of when you wish to join us.
